Date

**Reservations / Deposits**

Reservations are confirmed *only* upon receipt of a deposit on a first come, first served basis. We cannot reserve space on any trip without a deposit.

**Final Payments**

The *non-refundable* balance is due 60 days prior to the launch date of your trip. If final payment is not received when due, we reserve the right to regard the reservation cancelled.

**Cancellations**

Should you have to cancel your trip plans, *deposits and final payments are non-refundable*. However, you may transfer your seat to another person on the same date. Once you sign up, we lose the right to sell your reserved seat(s) to other individuals or groups. The number of trips and seats per trip Silver Cloud Expeditions, Inc. can provide are limited by river management plans. Therefore, we regret that we cannot make exceptions for personal emergencies.

**Water and Weather Conditions**

Silver Cloud Expeditions, Inc. will make a full refund of all monies collected should we cancel a trip due to fire, extremely unfavorable water or

weather conditions, insufficient bookings or other conditions or events. However, Silver Cloud Expeditions, Inc. will not be held responsible for any cancellation, or for expenses incurred as a result of such cancellation. Silver Cloud Expeditions, Inc. has the right to make schedule changes to alternate rivers when necessary. Extreme water conditions may mean that paddle rafts, drift boats, and/or inflatable kayaks cannot be used. Silver Cloud Expeditions, Inc. has the right to make river craft and schedule changes when necessary for the safety of the trip and its participants.

**Trip Insurance**

Please understand that we cannot insure your investment in river fishing trip reservations. *We strongly recommend the purchase of trip cancellation and interruption insurance* and can provide contact information, websites or brochures for several companies who offer it. Trip insurance policies can include coverage for cancellations due to health, medical and other reasons.

**Assumption of Risk**

You will be required to sign an assumption of risk agreement in order to join a river fishing trip with Silver Cloud Expeditions, Inc. We will send you this form after you make a reservation with a deposit or at your request.

**I have read and understand the terms and conditions of this reservation, cancellation and refund policy.**

## 2010 DRIFTBOAT STEELHEAD FISHING INFO

877.756.6215 toll-free • 208.756.3708 fax • [www.silvercloudexp.com](http://www.silvercloudexp.com) • [info@silvercloudexp.com](mailto:info@silvercloudexp.com)

Chris Swersey & Mary Wright • P.O. Box 1006 • Salmon, Idaho 83467

The Salmon River provides a unique and wild setting in which to catch an equally unique and wild strain of Steelhead. We offer a fishing experience without equal in the lower 48 states: the scenery and wildlife are as exciting as the fishing. Landing a Steelhead on a fly rod or spinning rod requires better than average skills and a lot of patience, so we don't claim you'll wear your arm out reeling in incredible numbers, or that you'll find hooking into a 15-pounder a simple task.

The Salmon River's Steelhead population fluctuates with a variety of natural and man-made influences. We encourage catch and release fishing to allow the fish to continue upstream to their spawning grounds and renew this precious resource. If you wish to keep hatchery fish you may do so in compliance with Idaho Fish and Game regulations. Steelhead will take wet flies (or dry flies depending on water temperature – typically above 45° in the fall). Wet flies work best fished deep with a hi density sink-tip line. Spoons, plugs and spinners are productive all season long.

We provide a guided drift boat for every 2 fishermen. Casting is done predominantly from boats, and from shore or by wading. With 40 miles of river to choose from, we have the capability of fishing different water every day. We fish between 4 and 9 miles per day depending on our launch point, river flow and fishing conditions. Fishermen should gear up to stay warm and dry, bringing good quality, warm synthetic outdoor clothing, and no cotton. We suggest polypropylene long underwear, fleece pants and jackets and good quality raingear.

**Getting Here:** Salmon, Idaho is located about 2 and ½ hours Northwest of Idaho Falls, 3 hours South of Missoula and 5 ½ hours Northeast of Boise. Salt Lake City is 6 hours away.

**Fishing Licenses:** You need to purchase an Idaho fishing license and Steelhead Permit before you fish with Silver Cloud. Most Idaho and sporting good stores many convenience stores sell fishing licenses. On-line: purchase at <https://www.greatlodge.com/id/>, or download an application form (.pdf format) from IDF&G at: [http://www2.state.id.us/fishgame/common/nonres/nrinfo/nonres\\_app.pdf](http://www2.state.id.us/fishgame/common/nonres/nrinfo/nonres_app.pdf) and mail it in. Or call IF&G at **1-800-554-8685** and have your credit card ready. **You will lose fishing time if you do not purchase your license in advance.**

**We Provide:** We provide expert guides, heated drift boats, lunch, snacks & hot and cold beverages, all rods, reels and terminal tackle and expert advice on catching steelhead by fly or spinning gear. You may bring your any of your own tackle with you - see below for recommended gear. Tackle can also be purchased in Salmon upon arrival.

**Suggested Gear & Hints:** Focus on clothing quality rather than quantity. Fishing tackle, liquor and polypro clothing can be purchased in Salmon if needed. **Rental raingear and fleece clothing is available for \$30 per person – call us to reserve your size in advance. Give us a call with any questions - we are always happy to help you plan!**

**Flyfishing** – If you want to bring your own - 8 or 9 wt. 2-piece rod, good quality reel loaded with braided Dacron backing, weight forward taper floating line with 12-15 foot type-III, IV or V sink-tip (often called a “steelhead taper”), several 4-6 foot leaders made of 10-12 pound mono for streamers and wet flies, twister lead or split shot, 10 to 12 pound tippet material, 1-2 dozen wet flies sizes 1-0 to 4 (see below), line and fly sinking dope, several small fly boxes or a fishing vest. We recommend polypropylene underwear and fleece under gore-tex waders for comfort, although neoprene waders can be warmer in extremely cold water. For early fall dry fly fishing (water temperatures over 50 degrees F), bring a second rod with a full floating line, 6-8 foot leaders, and a selection of dry flies.

**Spinfishing** – If you want to bring your own - medium wt. 2-piece rod & high quality reel loaded with 10 - 12 pound test mono, balanced to cast ½ to 1 ounce lures, 2 dozen ½ to 1 ounce steelhead spoons and spinners (see below), size 5 or 6 snap swivels, a pocket size lure box, waders (will keep you warmer) or hip boots.

**Fishing Equipment** – Fishing gloves, hemostats or small needle nose pliers, fishing glasses (polarized work best for seeing fish), felt bottom wading shoes to fit waders.

**Fishing Clothing** – Good Quality rain jacket, rain pants if you are using hip boots, a warm hat, a warm coat and sweater. Polar fleece or polypro works best; stays warm when damp, synthetic long underwear (medium or heavy weight).

**Additional Gear** – Bring a small backpack with a water bottle, Camera w/film (replace your batteries before you leave home), sunscreen, knife, lighter, liquor if you wish, 2 or 3 extra garbage bags to pack fish or damp clothing in.

**Additional Costs** – The following costs are not provided in your trip fare: Fishing license and Steelhead tag, Lodging and meals before and after your trip in Salmon, gratuities for the guides, rental gear costs.

**Weather** – October is usually a beautiful, dry month on the Salmon. Daytime temps range from high 40's to hi 70's, nighttime from light frost to the low 50's. Water temps range from the low 60's early in the month to the low 40's by the end of October. March and early April temperatures range from 25-55, although many afternoons offer spring warmth. Water temps range from the low 30's to the mid 40's by early April. You need to prepare for wet or cold weather.

~ ~ ~ ~ ~

### **Steelhead Flies**

**1-2 dozen assorted flies, in light and dark patterns, dry and wet, from sizes 1/0 to 4 (sizes 2 and 4 are most often used). Dry flies can be used effectively when water temps are above about 45 degrees, usually in the fall. Flies can be purchased at:**

- **Jimmy's All Season Angler in Idaho Falls (208-524-7160)**
- **All Season Angler in Pocatello (208-232-3042)**
- **The River Keeper in Boise (208-344-3838)**
- **Silver Creek Outfitters in Ketchum (208-726-5282)**
- **Frontier Anglers in Dillon MT (406-683-5276)**
- **Grizzly Hackle in Missoula MT (1-800-297-8996)**
- **World Cast Anglers in Wilson MT (1-800-654-0676)**
- **by mail-order (Orvis, Cabela's, LL Bean)**

**Dark Patterns: Purple Peril, Green Butt Skunk, Chartreuse Dredger, Boss, Coal Car, Purple or Black Bunny Leech Patterns**

**Light Patterns: Silver or Gold Comet, Fall Favorite, Babine, Paint Brush, Silver Rat, General Practitioner, Pink Polar Shrimp, Golden Stone Nymph, Pink or Red Egg Sucking Leech**

**Dry Flies: Bomber, Dry Muddler, Greased Liner, Waller Waker**

### **Steelhead Spoons, Plugs & Spinners**

**Lures should be heavy enough to work with 10 to 12 pound test monofilament, and to cast effectively. Many different shapes and sizes can work but they should be 1/2 to 3/4 ounce. Silver, Gold, Copper, Green, Chartreuse, Orange and Blue lures or combinations of these colors work best.**

**Spoons, Plugs: KO Wobbler, Steelies, Little Cleo, Krocrodile, Daredevil; Casting Hot Shot**

**Spinners (Size 5): Mepps (yellow beads/red blades work best), Rooster Tail, Panther Martin**
